#### Huddle Happenings

Welcome to the FCA Family - Lacey Stone is the new huddle leader at Linton High School.

Holly Kirk, formerly at Linton HS, is now teaching at Shakamak and helping Kelley Miller with FCA.

Mike Crandell, formerly of Mt. Vernon Middle School, is now teaching at Evansville Reitz and he will be helping Andy Hape, Jeremy Valines and Gene Backes with FCA.

James Elgas, formerly assistant men's basketball coach at the University of Evansville, is now the head basketball coach at Henderson State University.

Anya Covington, formerly assistant women's basketball coach at the University of Evansville, is now the assistant coach at the University of Wisconsin.

From a mom of a middle school FCAer. "My oldest son, Drake, is loving the huddles and wanting to lead the devotions there. He's in 6th grade!" That is awesome! Great job huddle sponsors!

#### Impact of 2015 Southern Indiana Leadership Camp

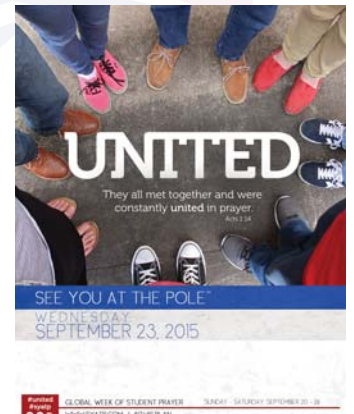

On August 26th before loading the bus to run our first CC meet at Clark Middle School, Tanner (self-motivated- was not asked by the coach) read John Wooden's testimony from the FCA Sports New Testament. He then followed in a testimony of his own about FCA camp and how it made him realize he needed to put others first and himself second- that he needed not to be prideful-that the reason he lost his friends was because of his attitude and arrogance. He declared that we need to put ourselves second and that anything is possible when you put Christ first and know He is always with you. Even more awesome was how his teammates clapped after he finished speaking. Carrie Engelbrecht - Huddle Sponsor
